

SKATING ACADEMY

A year Round Comprehensive Program for developing competitive figure skaters!

9 WEEK SEMESTER November 8 – January 30, 2022

No Classes: 11/22-11/28, 12-20-1/2

Under the direction of 4X Olympic Coach Craig Maurizi, and in collaboration with Parabolic Performance & Rehab, the Ice House Skating Academy is specifically designed to teach fundamental skating skills and effective off ice training.

This new group training environment not only alleviates high training costs but is proven to motivate young athletes while offering an added benefit of socialization in what would normally be an individualized activity.
